[illegible]**Totals**

REVISED COST BUDGET

original + approved changes

COMMITTED

POs and subcontracts issued

ACTUAL TO DATE

costs posted to the job

PROJECTED FINAL COST

actual + estimate to complete

PROJECTED GROSS PROFIT

revised contract – projected cost

Type: L labor · M material · E equipment · S subcontract · O other. Projected final = actual + estimate to complete where you have one, otherwise the larger of revised budget, committed and actual. Variance = revised budget – projected final (positive is favorable). Committed = purchase orders and subcontracts issued, whether or not invoiced.
